

Cricket Bingo #1

For this activity, you will need to make a note of the shirt numbers of the bowler and fielder:

Over 1

	Ball 1	Ball 2	Ball 3	Ball 4	Ball 5	Ball 6
Bowler						
Fielder						
Ball Total						

Overall Total = _____

Over 2

	Ball 1	Ball 2	Ball 3	Ball 4	Ball 5	Ball 6
Bowler						
Fielder						
Ball Total						

Overall Total = _____

Over 3

	Ball 1	Ball 2	Ball 3	Ball 4	Ball 5	Ball 6
Bowler						
Fielder						
Ball Total						

Overall Total = _____

Well done – now time for two quick questions:

1. What is the difference between the highest value for a ball and the lowest value ? _____
2. Add up the totals for each total and then work out the average. Write down the average here _____

OK – your answer to question 2 will now help for predictions. Make a guess what the total will be for the final over we are analyzing. Write down your guess here _____ and use the grid below to see how close you were. Good luck!!

The Final Over

	Ball 1	Ball 2	Ball 3	Ball 4	Ball 5	Ball 6
Bowler						
Fielder						
Ball Total						

Overall Total = _____

How close were you? Right down the difference here _____
